

Declaration, Power Of Attorney And Petition #10

As a below-named inventor, I, **RUDOLF EDGAR FALK**, hereby declare:

That I am a citizen of Canada, residing at 40 Riverview Drive, Toronto, Ontario, Canada, M4N 3C7.

That I verily believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled **TREATMENT OF DISEASE EMPLOYING HYALURONIC ACID AND NSAIDS** the specification of which was filed on 21st day of February, 1992 as United States Patent Application Serial Number 07/838,675 (claiming priority from Canadian Patent Application Serial Number 2,061,566, filed the 20th day of February, 1992) which invention is a Continuation-In-Part Application of United States Patent Application Serial Number 07/675,908, first filed under the PCT (Patent Cooperation Treaty) Application Serial Number PCT/CA90/00306 filed on the 18th day of September, 1990 (claiming priority from Canadian Patent Application Serial Number 612-307, filed the 21st day of September, 1989) and entering the National Phase in the United States on the 3rd day of July, 1991.

That I have reviewed and understood the contents of the above-identified specification, including the Claims as amended by any amendments referred to.

That I do not know and do not believe that this invention was ever known or used in the United States of America before my invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery thereof, or more than one year prior to this application.

That this invention was not in public use or on sale in the United States of America for more than one year prior to this application.

That this invention or discovery has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve (12) months before this application.

That I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 CFR 1.56(a), and that no application for patent or inventor's certificate on this invention or discovery has been filed by me or my representatives or assigns in any country foreign to the United States of America except as follows:

Canadian Patent Application Serial Number 2,061,566, filed the 20th day of February, 1992 from which Application Convention Priority is claimed.

That I hereby claim the benefit under Title 35, United States Code, S120 of any United States applications listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, S112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, S1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

Declaration, Power Of Attorney And Petition

As a below-named inventor, I, SAMUEL SIMON ASCULAI, hereby declare:

That I am a citizen of the United States of America, residing at 53 McCaul Street, Apartment #TH13, Toronto, Ontario, Canada, M6M 2B6.

That I verily believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled TREATMENT OF DISEASE EMPLOYING HYALURONIC ACID AND NSAIDS the specification of which was filed on 21st day of February, 1992 as United States Patent Application Serial Number 07/838,675 (claiming priority from Canadian Patent Application Serial Number 2,061,566, filed the 20th day of February, 1992) which invention is a Continuation-In-Part Application of United States Patent Application Serial Number 07/675,908, first filed under the PCT (Patent Cooperation Treaty) Application Serial Number PCT/CA90/00306 filed on the 18th day of September, 1990 (claiming priority from Canadian Patent Application Serial Number 612-307, filed the 21st day of September, 1989) and entering the National Phase in the United States on the 3rd day of July, 1991.

That I have reviewed and understood the contents of the above-identified specification, including the Claims as amended by any amendments referred to.

That I do not know and do not believe that this invention was ever known or used in the United States of America before my invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery thereof, or more than one year prior to this application.

That this invention was not in public use or on sale in the United States of America for more than one year prior to this application.

That this invention or discovery has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve (12) months before this application.

That I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application in accordance with 37 CFR 1.56(a), and that no application for patent or inventor's certificate on this invention or discovery has been filed by me or my representatives or assigns in any country foreign to the United States of America except as follows:

Canadian Patent Application Serial Number 2,061,566, filed the 20th day of February, 1992 from which Application Convention Priority is claimed.

That I hereby claim the benefit under Title 35, United States Code, S120 of any United States applications listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, S112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, S1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:
